

Lease to Own Program

Our program is designed to allow you to begin building equity simply by driving your truck. Your experience is your credit and your hard work takes care of the rest.

how it works

- Take charge of your career
- Examine your lifestyle and be sure this is right for you
- Consider your financial situation
- Decide if it is better to be a Company Driver or Owner Operator
- Determine what kind of equipment you will need
- Complete a simple qualifying process
- Be committed

what to expect

- Potential for high earnings
- Benefit from your hard work
- Build equity
- Own the vehicle you drive
- Total control of the maintenance and condition of your tractor

getting started

1. Seek legal and accounting advice prior to your decision to become an Owner Operator.
2. Qualify as an Owner Operator with the Company.
3. If you decide to become an Owner Operator, you will select a tractor for purchase and submit to Corporate Fleet Services.
4. A price is established and presented to you.
5. If the price is acceptable, an application for financing will be completed and processed.
6. Upon approval, you will sign an Independent Contractor Agreement.
7. Begin your career with the Company upon credit approval.
8. The transfer of title will occur upon completion of the lease agreement.

financing

A number of tractors owned by Siemens Transportation Group Inc. are available to be sold through our Lease to Own Program.

| | | | | | | |
|-------------------------|-------------------|-------|-------|-------|-------|-------|
| Tractor (cost) | \$18,000-\$40,000 | | | | | |
| Tractor (cost) | \$18K | \$22K | \$25K | \$30K | \$35K | \$40K |
| Term (months) | 18 | 22 | 26 | 32 | 39 | 45 |
| Early Purchase (months) | 13 | 15 | 18 | 23 | 27 | 33 |

The program allows for payment to be between \$1,700 - \$2,200 per month, inclusive of the retention maintenance trust fund.
