The World's Largest Truck Convoy was held on September 20, 2008. For the second consecutive year, Ed and Lori Wright, driving unit 619 for Kindersley Transport Ltd., were in the lead position! The lead position is awarded to the entry raising the most money for the Special Olympics in their province or state.

Judith Kostuk, Dispatcher for Kindersley Transport Ltd., worked diligently with Ed and Lori to raise funds, reaching a grand total of \$1977 - far and away the biggest total of the year in Saskatchewan.
