

BC Road Closure Notice

December 1, 2021

Dear Valued Customer,

Due to the recent weather events in British Columbia, road closures have interrupted our ordinary transportation routes. Currently we are working to re-route freight via alternative paths to resume the safe movement of shipments.

As a result, we are increasing the temporary Road Closure Surcharge on shipments passing through the area. The Surcharge will be applied to shipments that match the following criteria:

- **Duration:** Shipments in transit, effective November 15, 2021
- **Place:** Shipments originating in or destined to areas affected by road closures

Surcharge Amount: \$20.00 for the first 100lbs, \$2.00/ 100lbs thereafter, no maximum charge

We ask that you plan your operations around the possibility of delays while repairs to the roads are taking place. We recognize the effect this has on your operations and we appreciate your understanding.

We thank you in advance for your patience and understanding. Please do not hesitate to contact customerservice@kindersleytransport.com with any questions you may have.
