

Managed Transportation Surcharge Notice

March 16, 2022

Dear Valued Customer,

While we navigate the recent challenges the global supply chain has presented us, we would like to thank you for your continued patience and understanding. Industry wide service failures have been increasing, causing delays where demand for transportation has never been higher. There is no one reason for this breakdown, but a combination of extenuating circumstances, that started with natural disasters in British Columbia. Combined with driver shortages, severe weather, border closures and capacity/increased cost of purchased linehaul, have all compounded to create the unique situation we find ourselves in.

We strive to mitigate costs and protect our customers pricing. We are working hard to keep your freight moving and in order to maintain service levels, we will be implementing a temporary **Managed Transportation Surcharge**.

Please note that we will be **removing** our existing Kicking Horse Canyon Surcharge and our Temporary Road Closure Surcharge and we will be replacing them with a temporary Managed Transportation Surcharge.

Duration: Shipments picked up on and after Monday March 21, 2022. We will be continuously monitoring this situation.

Place: All lanes, Less than Truckload & Courier Shipments

Surcharge Amount:

- **Less than Truckload:** 18% of Freight Charges, \$15.00 Minimum Charge
- **Courier:** 18% of Freight Charges, \$7.50 Minimum Charge

We thank you in advance for your patience and understanding. Please do not hesitate to contact customerservice@kindersleytransport.com with any questions you may have.
